

AUSSIE ECO CLEAN AB SERIES

Model Numbers: **Cougar MkII**
AB 22H

AB 32H
AB 42H

Model shown: AB42H

Product Description:

These engine powered cold water blasters have been designed to provide cleaning professionals with units built tough for Australian conditions.

Powerful "Big Berty" Bertolini triplex pumps provide pressures from 2,000 to 4,000 psi combined with the heavy duty industrial Honda petrol engines.

Applications:

Heavy duty cleaning applications such as;

- Home use
- Farm use
- Cleaning contractors
- Schools
- Construction/building industry

Specifications:

Model	Pump Pressure (psi)	Pump Model	EWP Pressure with turbo lance	Flow rate (lpm)	Engine	Pump rpm	Weight (kg)	Dimensions (mm)
Cougar MkII	2750	MTP093581	4125	9	Honda GC160 5HP	3200	40	880x570x440
AB22H	2150	WSG899	3400	12.5	Honda GX200 6.5HP	3200	45	880x570x460
AB32H	3000	TWSG3013	4785	13	Honda GX270 9HP	3200	70	1090x700x600
AB42H	4000	TMG4035	6000	13	Honda GX390 13HP	3200	80	1090x700x630

NB: EWP figures theoretical only

Features

- "Big Berty" Bertolini pump with brass pump head, stainless steel valves, exclusive double seal system, solid ceramic pistons, and oversized roller bearings used on AB series
 - Genuine Honda engine
 - Heavy duty steel powder coated base with chrome steel bumper and handle, 10" wheels and pneumatic tyres on the Cougar MkII & AB22H or 12" wheels and pneumatic tyres on AB32H and AB42H
 - **ASP (Aussie Safety Protection) kits** including thermal dump valve and safety valve. (AB series)
- * **Exceeds Australian Standards**

Standard Accessories:

- 15 metres single wire braid hose with quick screw coupling
- Stainless steel lance with interchangeable nozzles on Cougar MkII and AB22H
- Stainless steel double lance with pressure variation and detergent injection on AB32H and AB42H
- 4000 psi rated trigger gun

Benefits

- Gives superior performance with a longer running life
- Powerful and reliable with an excellent service network
- Robust build, easy to manoeuvre over rough ground
- Protects operator & machine against excessive bypass & pressure spikes (AB series).

Optional Accessories:

- Grit blast kits for abrasive blasting
- Acid injection kits
- Turbomaster lance for enhanced pressure
- Drain cleaner kit including Aussie Viper mini reel
- Lance extensions and telescopic lances up to 6 metres long
