Features:

- "Big Berty" Bertolini forged brass pump head with stainless steel valves, ceramic pistons, double seal system & oversized roller bearings. Three year Bertolini pump warranty, conditions apply.
- NEW REGISTERED DESIGN** heavy duty galvanised frame with anti-vibration dampeners, big pneumatic tyres & steel wheels.
- Reliable engines from top manufacturers (Honda, Vanguard, Yanmar, Kohler).
- ASP (Aussie Safety Protection)** kit, includes thermal dump valve & safety valve. ***Exceeds Australian Standards***.
- Serious gearbox drive provides OH&S safety benefits, minimal maintenance.
- Stainless steel frame option.

Benefits:

- Gives superior performance in the toughest conditions, designed for long continuous operation.
- Made stronger, never rusts and easy to fork lift or crane into any application.
- National service network for support. Three warranty on Honda & Vanguard engines, two years on Yanmar.
- Protects operator & machine from pressure spikes and excessive by-pass operation.
- Minimal maintenance and safer than belt drive.
- Offers more corrosion resistance in harsh environments.

Due to our program of continuous product development the manufacturer reserves the right to alter specifications without notice.
