

AUSSIE ECO CLEAN MOBI BLAST CLEANING SYSTEMS

Model Numbers: **BB100 MOBI BLAST**
BB350 MOBI-BLAST
BB ULTRA MOBI-BLAST

PREDATOR PLUS MOBI-BLAST
PYTHON MOBI-BLAST

Model shown: BB350 Mobi Blast

Product Description:

A mobile blaster that carries its own water supply for infield cleaning. On site cleaning power for plant and equipment! Ideal for earthmovers, miners and logging contractors.

Can be mounted on a Ute or trailer for added mobility or moved on site by forklift .

Powerful Big Berty Bertolini pumps provide pressures from 2,000 psi through to a massive 5,000 psi (8,500 EWP when used with the Turbomaster lance).

Applications:

- Infield cleaning of equipment
- Mining and construction site cleaning
- Contract cleaning
- Machinery wash down
- Logging contractors

Specifications:

Model	Pump Pressure (psi)	Pump Model	EWP Pressure (psi)	Flow rate (lpm)	Engine/Motor	Pump rpm	Tank size (litres)	Weight (kg)	Dimensions (mm)

Features

- “Big Berty” Bertolini brass head pump with stainless steel valves, exclusive double seal system, ceramic pistons and oversized roller bearings.
- Water tank with float, drain valve, low level cut out sensor, lid with strainer and level indicator
- Mounted on heavy duty galvanised skid base with anti-vibration dampeners and lifting points
- High pressure reel and base mount with 30 metres of 3/8” R2 high pressure outlet hose and screw quick couplings. Low pressure reel and 30 metres 3/4” heavy duty reinforced inlet hose
- 2:1 reduction gearbox from pump to engine
- **ASP (Aussie Safety Protection)** kits including thermal dump valve and safety valve.
Exceeds Australian Standards

Benefits

- Gives superior performance in the toughest conditions, designed for long continuous operation
- UV stabilised for long life
- Strong and durable
- User friendly reels protect hoses from kinks, increase life of hose and improve safety for operator
- Protects operator & machine against excessive bypass & pressure spikes.

Standard Accessories:

- Stainless steel dual lance with high/low pressure regulation and detergent injection system
- 4000 psi rated hand gun

Predator Plus Accessories:

- AL35 gun with 1050mm blue stainless steel lance
- Provision for fuel drum (10 litres)

Optional Accessories:

- Sandblast kit
- Acid Injector
- Turbo master lance
- Drain cleaner
- Lance extension
