

AUSSIE ECO CLEAN TRAILER MOUNTED DRAIN CLEANING JETTERS

Model Numbers: **Cobra**
King Cobra
Python

Product Description:

Trailer mounted jettors offer a convenient, complete drain cleaning package. These well designed units combine the Aussie Cobra series of drain cleaning jettors with water tanks, hose & hose reels in a cost effective and practical way.

Ideal for plumbers, contractors and councils looking for a complete, ready to use set up. These self contained trailers mean that a clean water supply at the site of the blocked drain is not required.

Applications:

Heavy duty cleaning applications such as;

- Drain cleaning
- Clearing blockages in pipes
- Sewer cleaning
- High pressure cleaning
- Graffiti removal
- Cleaning public facilities
- Rust removal (with grit blaster attachments)

Specifications:

Model	Pump Pressure (psi)	Pump Model	EWP Pressure (psi)	Flow rate (lpm)	Engine/Motor	Pump rpm	Dry Weight (kg)	Dimensions Trailer only	
Cobra SM	4300	KTV3021	6785	21	Honda Electric start	20HP	1450	390	5' x 7'
King Cobra SM*	5000	HDS5057	8500	21.5	Honda Electric start	24HP	1450	400	5' x 7'
Python SM	4300	RAS4482	6785	31	Vanguard Electric start	31HP	1450	450	5' x 7'

*Also available with a Vanguard 27HP engine

Features:

- Big Berty pump with brass pump head, stainless steel valves, double seal system, ceramic pistons and oversized roller bearings
- Industrial Honda or Vanguard twin cylinder engine with two years manufacturer's warranty
