

AUSSIE ECO CLEAN TRAILER MOUNTED DRAIN CLEANING JETTERS

Model Numbers: **Cobra, King Cobra, Python**

Product Description:

Trailer mounted jettors offer a convenient, complete drain cleaning package. These well designed units combine the Aussie Python drain cleaning jettors with water tanks, hose & hose reels in a cost effective and practical way.

Ideal for plumbers, contractors and councils looking for a complete, ready to use set up. These self contained trailers mean that a clean water supply at the site of the blocked drain is not required.

Applications:

Heavy duty cleaning applications such as;

- Drain cleaning
- Clearing blockages in pipes
- Sewer cleaning
- High pressure cleaning
- Graffiti removal
- Cleaning public facilities
- Rust removal (with grit blaster attachments)

Specifications:
