

Model Numbers: **Trailer Mounted Engine Drive Self Contained Steam Cleaners  
Aussie JAW—Just Add Water**

**Product Description:**

Self contained, trailer mounted, hot-water pressure washer with built in 600 litre water tank and two hose reels with hoses. These units have been engineered for performance, durability and corrosion resistance. No outside power required, can be used in totally remote location - Just add water.

Aussie Hydrotek steamers are powerful and efficient cleaning systems for professionals that need high water flow and pressure with the added value of heat. Diesel fired burners and either petrol or diesel engines to run the pumps.

**Applications:**

Heavy duty cleaning applications such as:

- Mine site and plant cleaning
- Big plant maintenance
- Marine anti-fouling
- Graffiti removal
- Construction site wash down
- Grease and oil removal
- Engine degreasing
- Grease pipe cleaning
- Piggeries and dairies
- Livestock clean up

**Specifications:**

Model	Pump Pressure (psi)	EWP Pressure with turbo lance (psi)	Flow rate (lpm)	Engine	Pump rpm	Weight (kg)	Dimensions (m) l x w x h
HSS32004HBJAW	3200	4785	15	Honda Petrol 13HP	3200	450	tba
HSC40006HBJAW	4000	6485	21	Honda Petrol 24HP	1450	550	tba
HSC40006D12JAW	4000	6485	21	Kubota Diesel 17HP	1450	600	tba

**Features:**

- Heavy duty Triplex pumps with brass pump head, stainless steel valves, exclusive double seal system, solid ceramic pistons, and oversized straight roller bearings
- Adjustable temperature up to 130°C
- Diesel fired burner
- Nickel plated pump head and triplex ceramic plunger
- Water tight electrical box
- Robust "pro-TECT" steel frame
- ASP (Aussie Safety Protection) kit including safety relief valve and safety burst disc
- Heavy duty battery in closed box
- Stainless steel panels
- 600 litre poly impact resistant water tank with position locking lids and water filter
- Trailer mount (registration approval pending)
- Two hose reels; one Aussie Reel Quick reel with 30m of high pressure hose and the other a galvanised hose reel with 33 metres of low pressure garden hose.

**Standard Accessories:**

- Heavy duty 4000 psi rated hand gun
- Stainless steel 1200mm single lance
- Q-Tip "Snap-On" nozzle kit (featuring 0°, 15°, 25°, 40° and detergent tips)
- 12 volt burner system on HSS32004HB & HSC40006D12
- 20" Aussie Spinner rotary floor cleaner
- Inlet 1½" 60 micron mesh strainer with bleed valve

**Benefits:**

NB: EWP figures theoretical only

- Provides superior performance with a longer running life
- Steam melts grease without the need for chemicals
- No outside power source required
- Provides exceptional water flow and high pressure
- Provides protection in damp marine environments
- Rugged protective frame that allows easy service
- Eliminates pressure spikes and gun recoil for increased safety and reliability
- Battery protected from moisture and dust
- Protect unit and offer lifetime corrosion resistance
- Unit can be used in areas where there is no clean water source
- Ease of mobility
- User convenience and extends life of hoses

**Optional Accessories:**

- Heavy duty Turbomaster lance for increased pressure
- Hose extensions
- Lance extensions and telescopic wands up to 6m long
- Foaming lance
- Grit blaster heads
- Drain cleaning kits
- Sidewinder rotary wall cleaners
