FIVE YEAR PUMP END WARRANTY ON ALL AUSSIE QUIK PRIME PUMPS

QP310SL  
QP310SX

QP402SL  
QP402SX

QP310SL/L100E

### Product Description:

3" and 4" pumps with high pressure, high flow characteristics. Pumps offer flows of up to 1,200 litres per minute, and heads of up to 70 metres. This series offers exceptional priming characteristics with the ability to draught water from 8 metres. Computer generated hydraulic design delivers superb fuel efficient performance through big single closed style impellers capable of handling small solids in suspension.

### Applications:

- Fire fighting including village protection
- Fast fill tanker applications
- High pressure water transfer
- Wash and flush stock crate cleanout
- Tanker batter spray
- Construction site dust suppression
- High head dewatering

### Features

- Five year pump warranty
- Big closed single impeller
- Marine grade aluminium body
- Replaceable flanged suction port
- Full roll frame with anti vibration mounts standard
- Economic and reliable Yanmar & Kubota diesel engines
- Exceptional efficiencies
- Petrol engine drive versions also available (see separate spec sheet)
- Electric start standard
- Hydraulic drive option

### Benefits

- » Great quality ... use with confidence
- » Exceptional pump performance and fuel economy
- » Corrosion resistant, longevity
- » Easily replaced if thread damaged, easy to service check valve without dismantling pump
- » Protects pump, facilitates transport on site
- » Tried and proven with established service networks throughout the world
- » Transfers more water per litre of fuel
- » Lighter option, makes it easier to carry
- » For ease of starting
- » Ideal for water cart applications, no separate engine, cuts service cost

### Specifications

Model	Yanmar Option		Kubota Option		Max Head	Max Flow	Suction port	Discharge port	Self primes to
	Model	HP	Model	HP	(m)	(lpm)			(m)
QP310SL	L100E	10	OC95E	9.5	50	1150	3"	3"	7.8
QP310SX	L100E	10	OC95E	9.5	70	700	3"	3"	7.8
QP402SL	L100E	10	OC95E	9.5	50	1250	4"	4"	7.8
QP402SX	L100E	10	OC95E	9.5	70	700	4"	4"	7.8

### Five Year Warranty:

NOTE: Aussie stock codes for QP pumps are determined by using the pump & engine model, for example QP310SL/OC95E is the 9.5HP Kubota, electric start version of the QP310SL

Aussie Quik Prime pumps carry a unique pump end five year warranty. The products are guaranteed to be free of faulty workmanship or material for a period of five years after the date of sale to the end user.

Only top quality genuine brand engines by reputable manufacturers are used. A two year engine manufacturer's warranty applies, administered by the engine manufacturer or it's duly appointed representative. All engines used by Australian Pump Industries are major international brands, serviced and supported not only in Australia and South Pacific but right throughout the world.

Due to our program of continuous product development the manufacturer reserves the right to alter specifications without notice.
