- Full carry frame
- Yanmar or Kubota diesel engines (two year engine warranty)
- Coupling and strainer kit included as standard options
- Honda petrol drive options available (see separate spec sheet)

Specifications

Model	Engine Brand	Engine model	HP	Max Head (m)	Max Flow (lpm)	Suction port	Discharge port	Self primes to (m)	Max solid size
QP203T	Yanmar	L48 or L48E	4.8	27	600	2"	2"	7.3	0.75"
QP300T	Yanmar	L48 or L48E	4.8	27	650	3"	3"	7.4	0.75"
QP301T	Yanmar	L70E	7.0	24	1200	3"	3"	7.5	1"
QP40T	Yanmar	L100E	10.0	24	1800	4"	4"	7.6	1.5"

NOTE: Aussie stock codes for QP pumps are determined by using the pump & engine model, for example QP203T/L48E is the 4.8HP Yanmar, electric start version of the QP203T

Five Year Warranty:

Aussie Quik Prime pumps carry a unique pump end five year warranty. The products are guaranteed to be free of faulty workmanship or material for a period of five years after the date of sale to the end user.

Only top quality genuine brand engines by reputable manufacturers are used. A two year engine manufacturer's warranty applies, administered by the engine manufacturer or it's duly appointed representative in Australia and worldwide.

Product Description:

Rugged diesel drive trash pumps in 2", 3" and 4" with flows to 1800 litres per minute, heads to 27 metres and suction lift to 7.6 metres. Pumps feature unique mechanical seals that outlast conventional seals by up to six times, a big front mounted cleanout port that enables pumps to be purged of debris without disconnecting pipe work, and high SG, cast iron, non clog style, open impeller and volute system designed to pump solids and resist wear.

Applications:

- Construction site dewatering
- Waste water handling
- Effluent pump out
- Livestock waste water disposal
- Solid laden mine waste pump out

Benefits

- ⇒ Great quality ... use with confidence
- ⇒ Pumps solids in suspension
- ⇒ Resists wear and abrasion
- ⇒ Makes pump chamber clearance easy, no dismantling of pump body or pipe work
- ⇒ Corrosion resistant, long life
- ⇒ Protects pump, facilitates transport on site
- ⇒ Tried and proven with established service networks throughout the world
- ⇒ Prevents oversized material entering pump
- ⇒ Convenience and cost savings

Aussie Site Boss Trash Pump

Using the Aussie QP trash pump as it's base the Site Boss also includes the following

- 38mm super robust gal frame
- Balanced lifting bar
- Electric start Yanmar diesel engine
- 5 year warranty

Due to our program of continuous product development the manufacturer reserves the right to alter specifications without notice.
