AUSSIE QUIK PRIME ULTRALITE PUMPS

Aussie "Ultralite" lightweight 1" and 1½" pumps are designed to be portable and effective.

They offer flows to 210 litres per minute and maximum heads of up to 60 metres. They use lightweight, high speed, top

quality engines to provide exceptional efficiency right through the performance range.

Only genuine Honda engines are used (backed by a 3 year Honda GX engine warranty).

Features

- Five year pump warranty
- Lightweight, portable
- Fast self priming from 8 metres
- Replaceable suction cover and discharge elbow (not QP1)
- QP154 series discharge can be rotated
- Honda GX petrol engines
- Skids with rubber feet and carry handle
- High Head on both models
- Robust impeller
- Free strainer and coupling kit
- QP154SX kit includes a free 1" reducer to enable it to be used with 1" hose

Benefits

- » Great quality ... use with confidence
- » Units weigh from as little as 5.3 kgs
- » Ready to pump in minimum amount of time
- » Easily replaced if thread damaged, easy to service check valve without dismantling pump
- » Bi-directional outlets provides convenience (QP154SX only)
- » Tried and proven with established service networks throughout the world
- » Feet absorb vibration - stable in operation
- » Can be used to transfer water or for mop up fire fighting duties
- » Passes small solids in suspension
- » Convenience ... cost saving
- » Makes pump adaptable

QP154SX/GXH50

POWERED by
HONDA

Applications:

- Water transfer
- Mop up/fire fighting
- Irrigation
- Spraying

Specifications

Model/stock code	Engine	Type		HP	Max Head (m)	Max Flow (lpm)	Suction port	Discharge port	Self primes to (m)	Weight (kg)
