

Aussie QP40T Mine Boss Trash Pump

## AUSSIE QUIK PRIME MINE BOSS DIESEL DRIVE TRASH PUMPS

**Rugged trash pumps** in 2", 3" and 4" with flows to 1600 litres per minute, heads to 27 metres and suction lift to 7.6 metres.

**Aussie QP Yanmar powered** trash pumps feature unique mechanical seals that outlast conventional seals by up to six times.

A big front mounted cleanout port enables pumps to be purged of debris without disconnecting pipe work.

The high SG, cast iron, non clog style, open

impeller and volute system is designed to pump solids and resist wear.

**Aussie Mine Boss** includes additional safety features

- Balanced lifting bar
- Emergency stop
- Gel battery
- Lockable battery isolation
- Integrated fire extinguisher

QP203T/L48E MS

QP300T/L483 MS

### Features

- Five year pump warranty
- Big non clog open style impeller
- High SG grade cast iron impeller volute
- Front mounted clean out port
- Super robust aluminium body
- Full carry frame
- Yanmar diesel engines (two year engine warranty)
- Coupling & strainer kit included as standard options

### Benefits

- » Great quality ... use with confidence
- » Pumps solids in suspension
- » Resists wear and abrasion
- » Makes pump chamber clearance easy, no dismantling of pump body or pipe work
- » Corrosion resistant, long life
- » Protects pump, facilitates transport on site
- » Tried and proven with established service networks throughout the world
- » Prevents oversized material entering pump
