**AUSSIE QUIK PRIME**

**MINE SPEC FIRE FIGHTING PUMPS**

**Features**
- Five year pump warranty
- Fast self priming from 7.6 metres
- Replaceable flanged suction port cover and discharge elbow
- Yanmar diesel engines (two year engine warranty) with electric start
- Replaceable three way outlet (optional 2" or 3" outlet available to maximise performance)
- Replaceable big 2 inch inlet
- Big belly body
- Big drain port
- Single piece closed impellers
- Marine grade aluminium body
- Replaceable flanged suction port
- Super robust gal steel frame with balanced lifting bar

**Benefits**
- Great quality ... use with confidence
- Primes first time, every time
- Easily replaced if thread damaged, easy to service check valve without dismantling pump
- Tried and proven with established service networks throughout the world
- Enables choice of plumbing sizes from 1" to 3"
- Lets more water into the pump, easy access to check valve
- Larger water passages mean more water efficiency, lower fuel costs
- Fast, easy pump draining
- Creates exceptional pump performance
- Corrosion resistant, long life
- Easily replaced if thread damaged, easy to service check valve without dismantling pump
- Protects pump, facilitates transport on site

**Aussie Mine Spec Safety Features**
- Emergency stop button
- Heavy duty dry cell battery with lockable battery isolation switch
- Hi vis tape
- Fire extinguisher fitted to frame

**Applications:**
- Fire fighting, mop up & general fire protection
- High pressure water transfer
- Spray irrigation
- Diesel fuel transfer
- High pressure spraying
- Boom spraying
- Machinery wash down

AUSSIE QUIK PRIME
MINE SPEC FIRE FIGHTING PUMPS

Construction:
- Front case: Marine grade aluminium
- Volute: Marine grade aluminium
- Back plate: Marine grade aluminium
- Mechanical seal: Carbon/ceramic
- Outlet: Marine grade aluminium
- Casing bolts: Zinc plated steel
- Check valve: Nitrile rubber
- Priming & drain plugs: Polycarbonate
- Casing, priming & drain plug o-rings: Nitrile rubber
- Finish: Brushed aluminium
- Impeller: Marine grade aluminium, closed type

Performance Curve:

- Golden Rule
  - Operate pump at the best efficiency point...
  - 85% of max pump head

Optional Accessories:
- Heavy duty suction hose
- Fire fighting hose kits including deluxe hose kit with two 20 metre delivery hoses and fire fighting nozzles
- Storz or Camlock fittings
- Coupling Kit
- Strainer
